For parents

A few ideas to support your child

Talk about it early. Simply explain why you are moving and what will change (and what won't: the family, cuddly toys, games...).

Get them involved. Let them pack their own box of toys, decorate it and write their name on it.

The calendar. Circle the date together and put the calendar up: your child sees the day getting closer and can say how they feel.

Show them the new neighbourhood. If you can, visit the new home, school or park together before moving day.

On the day. Keep their cuddly toy, a snack and this colouring book within reach.

Their bedroom first. When you arrive, set up their bedroom first: finding their things is reassuring.

These tips are for general guidance only. Every child reacts differently.

The little artists' gallery

Send us a photo of your child's colouring page: we publish it on our website (first name and age only).
